Description :

PDF-53811 | 'The mirror, above all - the mirror is our teacher', wrote Leonardo da Vinci. Portraits are an endless source of fascination, responding as they do to the basic human impulse to scrutinize a face and strive to peer into the person behind it. Self-portraits have the added fascination that comes from looking into the mirror and trying to study one's own face and the elusive self lurking behind its s... *500 Self-Portraits*
