Description :
PDF-a6bed | The first edition of The Animation Book, published in 1979, became the authoritative guide to making animated movies. Now, as we enter the twenty-first century, the explosion in computer technology has created a corresponding boom in animation. Using desktop hardware and software, animators can easily produce high-quality, high-artistry animation and mix the aesthetics of traditional cel animation... *The Animation Book: A Complete Guide to Animated Filmmaking--From Flip-Books to Sound Cartoons to 3- D Animation*
