Description :

PDF-9f23e | Lavishly produced and illustrated, Cinematography covers the entire range of the profession. The book is not just a comprehensive guide to current professional practice; it goes beyond to explain the theory behind the practice, so you understand how the rules came about and when it's appropriate to break them. In addition, directors will benefit from the book's focus on the body of knowledge they ... *Cinematography: Theory and Practice: Image Making for Cinematographers, Directors, and Videographers*
