Description :

PDF-f6e81 | Control Viewers! Make Your Color Photography "POP!" Revised and expanded edition! We all want to include emotion in our photographs - it's what separates the "snapshotter" from the artist! Color is one of - if not THE most important tool we can use to insert emotion. But few of us really know how. Once you've read through this lesson (it's fast and easy) you will never think of color the same again! F... *Control Viewers! Make Your Color Photography "POP!"
