Description :

PDF-502e7 | Without light, there is no photograph. As almost every photographer knows, the word “photograph” has its roots in two Greek words that, together, mean “drawing with light.” But what is less commonly acknowledged and understood is the role that shadow plays in creating striking, expressive imagery, especially in portraiture. It is through deft, nuanced use of both light and shadow that you ... *The Dramatic Portrait: The Art of Crafting Light and Shadow*
