Description :

PDF-86944 | iPads and iPhones have found their way into the musical toolkits of many producers, composers, artists, and DJs. While many of these musicians use iOS devices to augment their existing music gear, for some, iPad and iPhone apps have replaced instruments, computer-based DAWs, or studios altogether. Experimental musicians realize that iOS music is one of the most significant developments in the histo... *Drone, Glitch and Noise: Making Experimental Music on iPads and iPhones (Apptronica Music App Series Book 1)*
