Description :

PDF-9da53 | New Hampshire once had nearly four hundred covered bridges, most of which unfortunately are no longer in existence. Some of them were railroad bridges and, although often viewed as charming relics of the past, all of these bridges were actually vital links in New Hampshire's transportation system. Covered bridges were used to cross most of New Hampshire's large rivers, including the Connecticut, M... *New Hampshire Covered Bridges (NH) (Images of America)*
