Description :

PDF-27865 | Between the Civil War and World War I, the Maine coast drew thousands of summer visitors every year. By the 1880s, some of the more affluent visitors decided to build their own cottages. From 1885 to 1905, Scientific American Building Monthly published floor plans, photographs, and descriptions of hundreds of homes, to inspire architects, builders, and clients. A tour of 52 lovely, distinctive ho... *Homes Down East: Classic Maine Coastal Cottages and Town Houses*
