Description :

PDF-61517 | Textiles have been made and used by every culture throughout history. However diverse—whether an ancient Egyptian mummy wrapping, a Turkish carpet, an Italian velvet, or an American quilt—all textiles have basic elements in common. They are made of fibers, constructed into forms, and patterned and colored in ways that follow certain principles. Looking at Textiles serves as a guide to the f... *Looking at Textiles: A Guide to Technical Terms*
