Description :

PDF-9d2ab | A complete, informative primer on how watches work. Accessible for the amateur and meaty enough for the aficionado. What is a beautiful watch? How do you make a good choice? The Magic of Watches explains how and why these little objects are so precious, fascinating and exciting. The book presents paradoxes: why a one-million-dollar watch might be less precise and more fragile than one that costs 1... *The Magic of Watches: A Smart Introduction to Fine Watchmaking*
