Description :

PDF-e7806 | Today, it seems astonishing that the work of Edouard Manet (1832-83), the master French painter, was controversial in his day. His subversive handling of both paint and subject matter, coupled with his detached gaze, shocked contemporaries--but established him as the father of modern painting. This remarkable book, published to accompany an important traveling exhibition, explores the artist's sty... *Manet: Portraying Life*
