Description :

PDF-33721 | Music after the Fall is the first book to survey contemporary Western art music within the transformed political, cultural, and technological environment of the post–Cold War era. In this book, Tim Rutherford-Johnson considers musical composition against this changed backdrop, placing it in the context of globalization, digitization, and new media. Drawing connections with the other arts, in par... *Music after the Fall: Modern Composition and Culture since 1989*
