Description :

PDF-f0453 | "These notes are about the process of design: the process of inventing things which display new physical order, organization, form, in response to function." This book, opening with these words, presents an entirely new theory of the process of design. In the first part of the book, Mr. Alexander discusses the process by which a form is adapted to the context of human needs and demands that has cal... *Notes on the Synthesis of Form (Harvard Paperbacks)*
