Description :

PDF-0514c | This book documents the first comprehensive exhibition of Italian Renaissance illuminations from collections in Europe and the United States. In the century between 1450 and 1550, Italian miniaturists, in collaboration with scribes and bookbinders, produced a series of masterpieces of book illumination which are still too little known and appreciated. Though working on a smaller scale than the gre... *The Painted Page: Italian Renaissance Book Illumination 1450-1550 (Art & Design)*
