Description :

PDF-624eb | At its most basic, historic preservation is about keeping old places alive, in active use, and relevant to the needs of communities today. As cities across America experience a remarkable renaissance, and more and more young, diverse families choose to live, work, and play in historic neighborhoods, the promise and potential of using our older and historic buildings to revitalize our cities is str... *The Past and Future City: How Historic Preservation is Reviving America's Communities*
