Description :

PDF-5564e | The Photographer's Eye by John Szarkowski is a twentieth-century classic--an indispensable introduction to the visual language of photography. Based on a landmark exhibition at The Museum of Modern Art in 1964, and originally published in 1966, the book has long been out of print. It is now available again to a new generation of photographers and lovers of photography in this duotone printing that... *The Photographer's Eye*
