Description :

PDF-7eb9c | Stunning photographs by a master photographer documenting the last of the steam locomotives. As a child, David Plowden was given a box camera, and before long he began to photograph railroad trains. As he matured and started on what would become a lifetime in photography, trains?specifically steam locomotives?became one of his passions, and then they were eclipsed by modern diesel locomotives.... *Requiem for Steam: The Railroad Photographs of David Plowden*
