Description :

PDF-924f9 | Amelia is 14 years old. In many ways, she is your average American teenager: since she was three years old, she has been her mother's muse, and the subject of her photographs. However, not every mom is a world-class photographer with a predilection for photographing animals. And it's not every teenager who has portraits of herself with elephants, llamas, ponies, tigers, kangaroos, chimpanzees ... *Robin Schwartz: Amelia and the Animals*
