Description :

PDF-eaaf2 | In American music, the notion of "roots" has been a powerful refrain, but just what constitutes our true musical traditions has often been a matter of debate. As Benjamin Filene reveals, a number of competing visions of America's musical past have vied for influence over the public imagination in this century. Filene builds his story around a fascinating group of characters--folklorists, record com... *Romancing the Folk: Public Memory and American Roots Music (Cultural Studies of the United States)*
