Description :

PDF-8df99 | The art market has been booming. Museum attendance is surging. More people than ever call themselves artists.

Contemporary art has become a mass entertainment, a luxury good, a job description, and, for some, a kind of alternative religion. In a series of beautifully paced narratives, Sarah Thornton investigates the drama of a Christie's auction, the workings in Takashi Murakami's studios, the eli... *Seven Days in the Art World*
