Description :

PDF-641c6 | The Surrealist movement that arose in Europe in the early 1900s used playful procedures and systematic stratagems to create provocative works and challenge the conventions of art, literature, and society. They conducted their experiments through art and polemic, manifesto and demonstration, love and politics. But it was above all through game-playing that they sought to subvert academic modes of i... *Surrealist Games (Shambhala Redstone Editions)*
