Description :

PDF-61d9a | Thinking Musically is the central volume in the Global Music Series. Designed for undergraduates and general readers with little or no background in music, it incorporates music from many diverse cultures--including the Americas, Asia, Africa, Oceania, and Europe--and establishes the framework for exploring the practice of music around the world. It sets the stage for an array of case study volume... *Thinking Musically: Experiencing Music, Expressing Culture (Global Music Series)*
