Description :

PDF-b2684 | Tory Burch sees the world in color, inspired by people, places, and ideas—all of which influence her brand, synonymous with print and color. In her first book, she explores what living in color means to her. The book is organized by color, each one brought to life through images of her own collections and travels; how she entertains; style icons; the works of artists, authors, and interior design... *Tory Burch: In Color*
